CONFERENCE PAPER

LOCAL/REGIONAL

ORAL PRESENTATION

PRESENTED BUT NOT PUBLISHED

1. SCHIRMER*, A, M Lui and T B PENNEY, "ERP correlates of emotional speech processing in Cantonese: Gender matters". 30ste Arbeitstagung für Psychophysiologische Methodik (In German). (Invited paper) (10 - 12 Jun 2004, University of Freiburg, Freiburg, Germany)

INTERNATIONAL

ORAL PRESENTATION

PUBLISHED

PRESENTED BUT NOT PUBLISHED

12. SCHIRMER, A, "The social brain: What it is, what it can do, and how it develops". *Neurocognition Conference* (Plenary paper) (6 - 7 Nov 2009, Biopolis, Singapore)

14. SCHIRMER, A, "In a different voice: Brain correlates of processing unattended changes in speaker emotion". *Swiss-Singapore Workshop on virtual emotions in multimodal media and human-computer interfaces* (14 - 15 Dec 2006, Institute for Infocom, A*Star, Singapore)

15. SCHIRMER, A, "Attention modulates sex differences in the processing of vocal emotional expressions". *9th International Conference on Cognitive Neuroscience* (Invited paper) (5 - 10 Sep 2005, University of Havana, Havana, Cuba)

16. SCHIRMER, A, "Sex differences in the pre-attentive processing of vocal emotional expressions: Evidence from electrophysiological and functional magnetic resonance imaging". *PIXAR Animation Studios Conference on Voice Quality and Emotions* (Invited paper) (11 - 13 Mar 2005, PIXAR Studios, San Francisco, United States)

PRESENTED BUT NOT PUBLISHED

35. LUI, M and A SCHIRMER*, "Musical experience is related to better emotional auditory memory.". Association for Psychological Science 20th Annual Convention (22 - 25 May 2008, Sheraton Chicago Hotel & Towers, Chicago, United States)

36. SCHIRMER*, A, M Lui, M Chan and T B PENNEY, "Culture and language modulate processing of emotional prosody". Annual Meeting of theoretical and experimental Neuropsychology (24 - 26 Jun 2004, Montreal University, Montreal, Canada)

PAPER FOR SEMINAR, PUBLIC TALK, LECTURE

LOCAL/REGIONAL

PRESENTED BUT NOT PUBLISHED

1. SCHIRMER, A, "Vocal communication: How speakers sway their listeners". Seminar (23 Mar 2011, Division of Linguistics and Multilingual Studies, Nanyang Technological University, Singapore)

2. SCHIRMER, A, "I know how you feel: On the role of nonverbal signals for human interaction". Cognitive Neuroscience and Brain Imaging Symposium (5 - 6 Aug 2008, Biopolis, Singapore)

3. SCHIRMER, A, "What's that? Interindividual differences in the the sensitivity to changes in speaker tone of voice". Neurobiology Seminar Series (9 Jan 2007, Center for Life Sciences, NUS, Singapore)
4. SCHIRMER, A, "Brain mechanisms mediating the processing of vocal emotional information during social interactions". *Brain mechanisms mediating the processing of vocal emotional information during social interactions* (17 Nov 2005, National University of Singapore, Singapore)

INTERNATIONAL

PRESENTED BUT NOT PUBLISHED

7. SCHIRMER, A, "The sound of emotions: What makes some listen more closely than others?". *School of Communication, Seminar Series* (23 Sep 2008, Northwestern University, Chicago, United States)

8. SCHIRMER, A, "Brain mechanisms mediating the processing of vocal emotional information during social interactions". *Brain mechanisms mediating the processing of vocal emotional information during social interactions* (5 Dec 2005, University of Hong Kong, Hong Kong, China)

9. SCHIRMER, A, "Processing emotions in speech". *Processing emotions in speech* (9 Nov 2004, Sun Yat-Sen University, Guangzhou, China)

10. SCHIRMER, A, "Sex differences in the pre-attentive processing of vocal emotions". *Workshop on speech perception and comprehension* (1 - 3 Oct 2004, University of Toulouse, Toulouse, France)

11. SCHIRMER, A, "Gender differences in the influence of emotional prosody on language processing". *Musique et Emotion Workshop* (In French) (14 - 16 May 2004, Centre Hospitalier Regional Universitaire de Lille, Lille, France)

12. SCHIRMER, A, "Emotional speech processing: Gender matters". *Emotional speech processing: Gender matters* (15 Jan 2004, University of Georgia, Athens, United States)

13. SCHIRMER, A, "Emotional speech processing: Effects of culture and gender". *Emotional speech processing: Effects of culture and gender* (27 Aug 2003, Beckman Institute, University of Illinois, Champaign-Urbana, United States)

14. SCHIRMER, A, "Emotional speech processing in men and women". *Emotional speech processing in men and women* (7 May 2003, University of Saarbruecken, Saarbruecken, Germany)

15. SCHIRMER, A, "Neurophysiological insights into the processing of emotional prosody and word valence". *Neurophysiological insights into the processing of emotional prosody and word valence* (14 Feb 2003, Centre de Recherche en Neurosciences Cognitives, Marseille, France)
